

Did you come to Stevens for ENGINEERING?
Do you excel in BIOLOGY and/or CHEMISTRY?
Want to eventually apply to MEDICAL SCHOOL?

Well then Biomedical Engineering is for you!
It's the FASTEST GROWING field of engineering and the
Biomedical Engineering Society at Stevens can help to
educate you about it!

Come join us as we visit NYC's *Museum of Sex & Bodies Exhibit*. We tour *hospitals* and view *live surgeries*. We'll keep you up to date about the *latest breakthroughs* in our field. We can even help you to explore *Co-op jobs* and outside *internships*!

INTERESTED? For more information, visit our www.stevens.edu/bmes, join the Facebook group, or join our mailing list (BMES_GB@lists.stevens.edu)!
