

Residence Hall Community Descriptions

To aid in your ability to identify preferred areas to work, the Office of Residence Life has compiled a list of community characteristics for each of our housing options. Please be aware that you are NOT guaranteed to receive the top areas in which you have requested.

- DAVIS HALL:** Corridor style halls, doubles, with community bathrooms.
Residents: All freshmen: Coed by floor
Character: Lively, open atmosphere, highly conducive to community building. Residents may require more access to staff support and strong role-modeling/guidance
Size: 212 residents (26 per RA) in 8 wings on 5 floors (8 RAs)
- HAYDEN HALL:** Corridor style halls, doubles, with community bathrooms.
Residents: Freshmen male and female coed by floor and by room on the first floor
Character: Lively, open atmosphere, highly conducive to community building. Residents may require more access to staff support and strong role-modeling/guidance
Size: 129 residents (27 per RA) in 5 wings on 3 floors (5 RAs)
- HUMPHREYS HALL:** Corridor and “wing” style halls, doubles, with community bathrooms.
Residents: Primarily freshman male and female, some upper-class floors. Co-ed by wing
Character: Open atmosphere, conducive to community building. Residents may require more access to staff support and role-modeling. Potential for feeling of “ownership” of common areas
Size: 156 residents (26 per RA) in 6 wings on 3 floors (6 RAs)
- PALMER HALL:** Single and suite style rooms, with community bathrooms.
Residents: Mostly juniors and seniors, male and female. Co-ed by room and by some floors
Character: Primarily residents who prefer privacy, more support and less “guidance”
Size: 88 residents (30 per RA) in 3 wings on 3 floors (3 RAs)
- JONAS HALL:** U-shaped hall with double rooms and bathrooms in each. Also, some suites with kitchens
Residents: Mostly juniors and seniors (more sophomores in 06). Coed by room
Character: Easy to gather since kitchens on every floor, some groups of friends already established. Consideration of addition of Living Learning communities
Size: 233 residents (25-50 per RA) on 6 floors. (6 RAs)
- LORE EL:** Singles and doubles, 1 community bathroom, one and half private- bathroom
Residents: Female upper-class Learning community centered on women and engineering
Character: Quiet and tight-knit community – Additional programming by RA
Size: 12 residents on 3 floors (1 RA)

CASTLE POINT APTS: Studio Apartments with kitchenettes, doubles and triples

Residents: Mostly juniors and seniors. Coed by room upper-class floors

Character: Mostly independent residents seeking apartment style living
Consideration of addition of living learning communities

Size: 151 residents (37 per RA) on 5 floors (4 RAs)

RIVER TERRACE: Newly renovated suites with single and double bedrooms and bathroom(s)

Residents: Mostly juniors and seniors. Coed by suite

Character: TBD. Anticipated potential for feeling of pride and “ownership” of suites
Potential for Living Learning Communities

Size: 170 residents, in 3 buildings, on 12 floors (33 per RA) (5 or 6 RAs)
