Instructions Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 2002F, 2003S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of courses is given for a requirement, circle the appropriate course number. For electives, fill in the course number. Any courses taken elsewhere should be marked **TR**. An additional study plan will be required if you wish to receive a minor or a second degree.

- NOTES:
- General requirements: You must take at least one course in at least three different areas.
1. Two (2) Group A sequences are required. The 'three fields' requirement is partially satisfied by taking one sequence in Literature and one Philosophy.
  2. Two (2) Group B sequences are required. The 'three fields' requirement is partially satisfied by taking one sequence in History and one in Social Science
  3. Check this box if the course counts towards the major.
  4. A total of ten (10) courses in the major concentration field are required, and depending on the field of the major, certain distribution requirements must be met; two of the ten are an appropriate Group A or Group B sequence. Consult the Stevens Undergraduate Catalog or your advisor for details.
  5. Courses beyond the B.A. requirements whether to meet minor requirements, to meet second degree requirements, to defer to graduate program (mark GD) or extra courses (e.g. from change in field of study; mark XT).
