Items on the Table

None

Docket for the 94th Senate of the Student Government Association

March 30th, 2008

Fielding Room - 7:00 PM

Submitted Reports

Treasurer:

Budgets for the summer will be due on Sunday, February 6th. Fall budgets will be due on Sunday, February 13th. The account balances are CIF:\$45,139.67 SAF:\$10084.01

Secretary:

The SGA office is all cleaned out, and I will be sending out an e-mail to see if anyone is interested in holding office hours.

Academic Affairs:

We've had a lot going on lately. Most importantly the State of the Institute will be this Wednesday the 2nd at 4:30 in K228. The Provost will be discussing recent hirings and it will be more of an open forum so come with questions. Also, Brandon, Andy, and I (Steph) went to the faculty meeting that happened this past Wednesday the 26th and presented our mission statement and ourselves. The Provost announced there to the faculty that we were going to become more involved in the hiring system at Stevens by attending the seminars that the candidates give. Also, we now have an Academic Affairs e-mail AcademicAffairs@Stevens.edu where we can be reached easily.

Campus Life Committee:

The Campus Life Committee will be meeting again this upcoming Wednesday at 5 in the large conference room in Jacobus. The cable survey was a huge success with over 300 submissions recorded. The results were submitted to Tony Blazini for consideration of our future cable contract. In addition, the Office of Resident Life is moving along with the installation of new ashtrays to go up around campus to keep trash and littering around the entrances at a minimum. Finally, the committee has begun working with the recycling club to (hopefully) hold a 'trial' recycling awareness event in April. More information will be available soon.

Jacobus Advisory Board:

This weekend we received and installed all the furniture for the Conference Rooms and Resource Room. The Photocopy machine has been placed in the Resource room and we will be contacting everyone soon with information on how to use it. Also, you can now request swipe access for Jacobus online through either the JAB or Jacobus websites.
