**President:** Try to show up on time to meetings guys. Thank you those of you who were on time. Tell everyone that the 140<sup>th</sup> is tomorrow. Be there, have fun; there will be more events in the future. Please wear polo's all day if possible. There is a position opening in the junior class; an official announcement will be made next week.

**Vice President:** Cabinet met with Vice President Weatherall on Monday, she was able to say that student activities, accreditation, and financial aid will not be affected. Please dispel those rumors if you hear them. Tim will be running the meeting next week, treat him as you would me.

**Treasurer:** We have around \$20k.

**Secretary:** No report

**CCSI:** October 7<sup>th</sup> will be the RSO summit, tell your RSO's one person on their e-board has to be there. I would like all of the subcommittee heads to be there. We would like to start developing a more personal relationship with the RSO's. I'll send an email out to the senate. New RSO's are coming up, just be aware. The bulletin board is under construction now and I have officially bled for the SGA, because I fell.
