

**SCIENCE AND TECHNOLOGY CENTER VOLUNTEER SCHOLARSHIP
APPLICATION FOR 2008-2009 ACADEMIC YEAR**

We are proud to introduce the Science and Technology Center Volunteer Scholarship. To be considered for the scholarship, students must show evidence of volunteer participation at a science or technology center or museum (in the form of a recommendation letter from a supervisor; see details below) and complete the Stevens Institute of Technology undergraduate application for admission. In order for the scholarship to be awarded in successive years, the student must maintain a 2.5 grade point average while at Stevens. Recipients of this scholarship will be awarded between \$1,000 and \$5,000 per year.

**Early Decision I Applicants: submit by December 1, 2007
Early Decision II Applicants: submit by February 1, 2008
Regular Decision Applicants: submit by March 1, 2008**
