September 12, 2014

To the Stevens Community,

After more than six years of service as Chief Financial Officer, Vice President for Finance & Treasurer, Mr. Randy Greene will be leaving Stevens.

I would like to take this opportunity to recognize Randy's substantial role in providing the expertise, focus, and perseverance leading to Stevens' significant accomplishments in the area of Finance over the last few years. Randy joined Stevens during a particularly challenging time in this university's history and has provided the leadership and discipline that have enabled Stevens to achieve a significantly improved financial status: eliminating the use of the line of credit; maintaining a substantial net operating surplus for the last several fiscal years; and developing better financial planning methods and tools, all of which put Stevens in a strong position for the future.

We will soon be conducting a national search for a new Chief Financial Officer. In the near future, a search firm will be selected and a Search Committee will be formed to lead this effort.

Randy has graciously agreed to continue in the role of CFO, Vice President for Finance & Treasurer until January 31, 2015.

Please join me in extending sincere appreciation to Randy for all he has done for Stevens.

Per aspera ad astra,

Nariman Farvardin
President
