Subject: Commencement 2021: Stay Involved Post Graduation

To the Members of the Class of 2021,

As your undergraduate years near their end, we write to ask you to reflect on your experiences at Stevens. These experiences have molded you into the top flight innovators, leaders and entrepreneurs of the twenty-first century. Whether it’s the research you conducted, the organizations you were involved in, your challenging coursework, professional experiences, or the people you’ve met along the way, we’re certain there’s something at Stevens you love. While you prepare yourself for the road that lies ahead, consider how you will maintain your relationship with the Institute.

We hope that you, like us, will find a way to stay involved and support Stevens in her successes. Just as in undergrad, there are ample opportunities for alumni to support and remain in touch with the University, ranging from joining alumni clubs to giving to the area of campus that means the most to you.

The following leadership positions are available to graduating seniors, to be held after graduation:

- Young Alumni Trustee on the Board of Trustees
- Class Officers of the Class of 2021:
  - President
  - Vice-President
  - Secretary
  - Class Fund Captain

Nominations for both the Young Alumni Trustee and the Class Officers for the Class of 2021 will open on April 5. Both nominations will close on April 9 at 5:00 p.m., and all nominees will be contacted to receive further details and confirm their nominations.

Contemplate how you can seize these opportunities and support your soon-to-be alma mater. We encourage you to further explore these positions by visiting the Trustee webpage and the Stevens Alumni Association (SAA) webpage on the Stevens website. We also invite you to attend a brief information session on Wednesday, March 24 at 5:00 p.m. via Zoom Conference Call (please RSVP here) - meeting details will only be provided to those who register by March 19).
Finally, seniors are asked to fill out this form so that the university may send you a copy of The Link, the Stevens senior yearbook.

You are welcome to email either of us with any questions. We look forward to hearing from you.
