

October 21, 2015

To the Stevens Community,

Please join me on Wednesday, October 28, 2-4 pm in the Bissinger Room for the 2015 Stevens Employee Recognition event.

The ceremony and reception will recognize two categories of honorees: those employees with academic year service anniversaries of multiples of five-year increments; and employees who were selected for one of five award categories aligned with our Strategic Plan, *The Future. Ours to Create*. A thorough selection process, involving a nomination by peers and a review by a committee of faculty and staff, was used to select this year's honorees in this category.

I am delighted to announce the 2015 Stevens Employee Recognition awards:

**Excellence in All We Do:** Robert Gonzales, Office of University Events

**Strengthened Reputation, Increased Prestige:** Patrick Dorywalski, Athletics & John Nastasi, Mechanical Engineering

**Student Centricity:** Kristie Damell, Undergraduate Student Affairs

**Technology at our Core:** Karen Swift, Information Technology

**Through Collaboration, Impact:** Ruani Ribe, Office of the President

I would especially like to thank the members of the Employee Recognition Committee who dedicated their time to this important effort:

- Dr. Andrew Russell, Associate Professor & Chief Administrative Officer, College of Arts & Letters
- Ms. Barbara Arnett, Systems Specialist, Division of Human Resources
- Ms. Danielle Woodruffe, Director of Public Relations, Division of Communications & Marketing
- Dr. Keith Sheppard, Professor & Associate Dean of Engineering & Science, School of Engineering & Science
- Ms. Lynn Insley, Director, The Stevens Career Center, Division of Enrollment Management & Student Affairs
- Dr. Mo Dehghani, Vice Provost of Research, Division of Academic Affairs
- Mr. Russell Rogers, Director, Department of Physical Education, Athletics and Recreation, Division of Enrollment Management & Student Affairs

I look forward to seeing you on this very special occasion as we recognize this year's honorees, whose service is an exemplar for our entire community.

*Per aspera ad astra,*

Nariman Farvardin  
President
