Project: Gianforte Family Academic Center  

**Construction Notice**

**Subject:** Gianforte Family Academic Center – Extension Saturday Work Hours

**Project Timeline:** Saturdays - April 20, 2019 – August 31, 2019

**What work is being done?**

Construction activities will primarily be related to the installation of interior works such as carpentry work, electronic connections, flooring, painting, integrating audiovisual and information technology systems, and tile work.

**When will the work occur?**

The work will take place Saturday, April 20, 2019 between 9:00 a.m. and 6:00 p.m., in accordance with the Noise Mitigation Plan posted on the Construction Alerts website.

**Why is this work happening?**

The project is now at a point where coordination of various trades and jobs such as carpentry work, electrical connections, flooring, painting, integrating audiovisual and information technology systems, and tile work, must be carefully sequenced.

**How will this work impact the Community?**

All work on Saturday will be:
1. (a) on the interior of the building, and
2. (b) conducted in accordance with the approved noise mitigation plan.

Furthermore, there will be no deliveries on Saturdays and all entrance and egress on Saturdays will occur from the Sixth and River Street intersection, thereby mitigating impact on neighbors to the west.

Lastly, there will be no impact to resident parking on River Terrace during requested Saturday work hours. Regulated Parking on River Terrace will resume on during typical weekdays, Monday - Friday during the hours of 7:00 a.m. – 6:00 p.m.
Who will be performing the work?

Gilbane Building Company will be performing the work in coordination with the Division of Facilities and Campus Operations.
