

**Maritime Domain Awareness and emerging projects in Maritime Cybersecurity**

General Hayden currently serves on the Board of Directors of the Institute for Critical Infrastructure Technology (ICIT) and the Center for Strategic & International Studies (CSIS). In addition, he is a member of the Advisory Board of the Center for Cyber & Homeland Security Policy and Practice at the University of Maryland and the Blackbird Institute at the University of Virginia.

**Hasan Shahid, DHS CDG Fellow, Completes Work on a Microcomputer-Based Acoustic Processing System**

Hasan Shahid, DHS CDG Fellow, successfully completed a Microcomputer-Based Acoustic Processing System during his tenure at Stevens Institute of Technology. Shahid, a Graduate Certificate in Maritime Security student, recently defended a thesis that focused on the development of a microcomputer-based acoustic processing system for real-time processing of undersea sensor data.
