To the Stevens Community:

Please help me welcome Mr. Brodie Remington, Vice President for Development at Stevens Institute of Technology, who began his tenure at Stevens today. With more than 30 years of leadership experience in fundraising and alumni relations, including as chief advancement officer at the University of Maryland, the University of Oregon, and Trinity College (CT), Brodie has successfully managed five fundraising campaigns that secured more than \$3 billion in gifts.

I am pleased to announce that on his first day, Brodie's first official action was to make a \$100,000 gift to Stevens, the majority of which will be used to establish a scholarship in his wife's honor. Clearly, Brodie will be a compelling advocate for investing in the future of Stevens.

Brodie's office is on the 13th floor of the Howe Center, and he can be contacted at brodie.remington@stevens.edu.

I encourage you to join me in making our new Vice President for Development feel welcome at Stevens. We look forward to significant upward progress as Brodie takes the helm of our Development and Alumni activities.
