There’s enough on our Hoboken campus to keep you busy, but with outrageously close access to Manhattan, the mountains, the shore and more, why stop there? By foot, car or public transportation, you can enjoy all that our area has to offer. Hop on a bus, a ferry, or a train, all walking distance from campus, and access the metro area in minutes. If there’s a limit to all you can do and see here...we haven’t found it yet.
