INFORMATION ABOUT APPLICATION PROCESSING

1. If, to the best of our knowledge, we determine that you have a valid reason for applying for Severe Economic Hardship Employment authorization, we will issue you a new Form I-20 with our recommendation on it. (This does not guarantee that your application will be approved.) We will contact you by e-mail to pick up and sign your new I-20 before sending your application to the USCIS.

2. Once you receive your new I-20, you will send your application to USCIS. Be sure to get a tracking number for your package. USCIS will take about three months to process your application. Unfortunately, there is no way to expedite the process.

3. USCIS processing takes up to 90 days from the date USCIS receives your application, and USCIS will communicate directly with you while they are processing it. Your receipt and (if your application is approved) your EAD will be sent to the address you put on your I-765. Please contact us if you receive any requests for additional information/evidence from USCIS, and please send us a copy of your EAD once you receive it.

4. You cannot work with an approval notice; you must wait until you receive your EAD to start working.
