To All Faculty and Staff:

I am delighted to share the list of administrative staff who have been recommended for and who received promotions as part of the merit review process completed in late December 2018.

These individuals have consistently demonstrated one or more of Stevens' strategic priorities, *Excellence in All We Do; Student-Centricity; Technology at our Core; Through Collaboration, Impact; and, Strengthened Reputation, Increased Prestige*. Each has made significant contributions—in a variety of ways and across nearly all areas of the university—to the remarkable progress Stevens has achieved in recent years.
