To the Stevens Community:

I am pleased to share with you the annual [Strategic Plan Progress Report for Year 8](#), marking the period of FY20 (July 1, 2019-June 30, 2020) and for enrollment and related statistics for Fall 2020.

Despite the highly unusual and unprecedented circumstances of the past year starting with a cyberattack in August 2019 and continuing with a sudden and lengthy transition to remote teaching and business operations in March 2020 as a result of the pandemic, Stevens made substantial progress toward a number of goals. This serves to underscore the strong foundation that Stevens has built in its academic and business enterprises in the last eight years.

I am incredibly proud of the work that we have undertaken together to realize the goals set forth in our 10-year strategic plan. Stevens is well prepared to continue its upward trajectory in the years ahead.

Per aspera ad astra,

Nariman Farvardin
President
