

July 27, 2020

To All Faculty and Staff:

Since Stevens announced its *Return to Campus* plan on July 8th, the infection rate of COVID-19 across the U.S. has worsened significantly. While New Jersey has contained the contagion better than most states, these dynamic circumstances are prompting many universities to revisit their plans for the Fall 2020 semester. As we have stated all along, our plans will adapt, as needed, to changing health conditions, government guidance, and new information.

Please join me and other colleagues on **Thursday, July 30, 2020 from 10:00 – 11:30 a.m.** for a town hall meeting that will provide an update regarding our Fall 2020 planning. Immediately following the meeting, a survey will be released to all employees with a request to complete the survey within 24 hours. Survey results will contribute to further decision-making for the Fall 2020 semester plans.

The meeting will be held as a Zoom webinar with questions addressed using the Q&A feature. (This is the format used in previous meetings of this type during the Spring 2020 semester.)

The presentation will be recorded and made available for viewing by faculty and staff who are unable to attend.

Please mark your calendars and plan to join this session.

Date: Thursday, July 30, 2020

Time: 10:00 - 11:30 a.m.
