To the Stevens Community:

We are pleased to welcome Governor Phil Murphy to Stevens on Tuesday, May 29, 2018 to discuss initiatives associated with his goal for New Jersey to “reclaim the innovation economy” with programs to attract talent into high growth STEM jobs.

Members of the Stevens community are invited to join us in the ABS Engineering Center (at the southern end of Davidson Lab on Hudson Street) at 10 a.m. on Tuesday to hear the Governor’s remarks and announcement.

Sincerely,

Beth McGrath

Chief of Staff & Director, Government & Community Relations
