To the Stevens Community:

I am pleased to invite you to attend the OnStage at Stevens spring production, "An Evening of Bach," on Thursday, May 17, 2018 at 8:00 p.m. in DeBaun Auditorium.

OnStage at Stevens is a performing arts and cultural series that brings premier music, theater, dance, literary arts and other entertainment to Stevens, Hoboken and the surrounding communities.

This year, OnStage at Stevens has once again entered into an exciting collaboration with the New Jersey Symphony Orchestra (NJSO) and is proud to welcome members from the NJSO in a series developed exclusively for this initiative.

The final performance of the season, An Evening of Bach, features an ensemble of NJSO players performing selections from J.S. Bach's Brandenburg Concertos.

Please see stevens.edu/onstage to purchase tickets and learn more about future OnStage at Stevens performances.

Per aspera ad astra,

Nariman Farvardin
President
