Instructions Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 2002F, 2003S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of courses is given for a requirement, circle the appropriate course number. For electives, fill in the course number. Any courses taken elsewhere should be marked **TR**. An additional study plan will be required if you wish to receive a minor or a second degree.

ADDITIONAL COURSES

- NOTES:
1. Students are required to take two additional Humanities courses other than CAL103 and CAL105. One must be at the 100 level and one must be at the 300/400 level plus two different disciplines.
 2. Choose IS Requirement from BT 421 (Systems Analysis and Design), BT 416 (Business Process Management), or MIS 460 (IT Strategy)
 3. Choose Technology Electives from a list of preapproved courses.
 4. Students on a Varsity team only need to take one PE course as their Varsity sport counts for three PE courses.
 5. Students who have computer science experience can take the more challenging course of CS115, all other students are recommended to take CS105.
