Instructions Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., F20, S21, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of courses is given for a requirement, indicate the appropriate course number. For electives, fill in the course number. Any courses taken elsewhere should be marked **TR** or **AP**. An additional study plan will be required if you wish to receive a minor or a second degree.
