Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 2013F, 2014S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of course is given for the requirement, circle the appropriate course number. For electives, fill in the course number. Any course taken elsewhere should be marked TR. An additional study plan will be required if any of you wish to receive a minor or a second degree.

Notes:

1. Non-Major Humanities- Visual Arts students must complete HHS 130, HPL 112 or HLI 220, and two additional lower or upper division classes in another CAL discipline outside of the students major field.
2. All CAL students are required to take two courses in Math, one in Science and one in Computer Science. Students may choose from CS 105, CS 115, or HAR 271 to fulfill the computer science requirement. For a complete list of courses that fulfill the Math and Science requirement, please visit the College of Arts and Letters catalog on the Stevens website.
3. General Electives – chosen by the student – can be any approved 3 or 4 credit course used towards a minor, major concentration, research, independent study, language courses, or a course taken during an international experience.
4. PE Requirement- All students must complete a minimum of four semesters of Physical Education (P.E.) in non-repeating courses. No credit or grades are awarded for P.E. classes. Participation in varsity sports may be used to satisfy up to three credits of the P.E. requirement.
5. Secondary Concentration: This can be chosen from all disciplines offered at Stevens upon consultation with your faculty advisor.
